Currently:

With your support, we do the following:

1. **Primary needs (Food, milk, medicines, cleaning agents) for an orphanage in India, every month.**

2. **Education: We are supporting the education (school tuition fees) of four children.**

“Dayeeta’s charity lunches give us the feeling that we are contributing to something good, whilst enjoying delicious food in a pleasant atmosphere. My family and I have joined the lunches for several years now and in particular we love to hear the personal stories of the children we are privileged enough to be able to help. It feels that the contribution we give goes directly to the children in the form of rice and vegetables rather than being lost through extensive administration. Thank you to Dayeeta for this wonderful opportunity to participate and please keep letting us know how the children are doing”

3. **We plan** to support a group of kids in a Kolkata slum area with education. **Can we not make their childhood a bit better?**

"The charity lunch hosted by "Cheerful Child" has always been a very thoughtful and warm event. Guests from different countries and cultures get together for the good will and of course at the same time enjoy the very delicious Indian home-cooked meal by the wonderful hosts Dayeeta and Abhijit. A combination of charity and social event, I would say. I personally admire Dayeeta's dedication and passion in hosting this regular event to help the children in need. Thank you very much Dayeeta ! Keep it going !

Come and join us !! Anyone can make a difference!"
